**Funso la mtengo wa patali:** Mungakalowe kumwamba mutafa? Awa ndi mayere achangu. Kodi mudanamako, kubako kanthu kenakake, kapena kugwiritsa dzina la Mulungu pa chabe? Jesu adati “aliyense woyang’ana mkazi mkumusilira wachita naye kale chigololo mumtima mwake” Mudzakhala olakwa pa tsiku lachiweruzo? Ngati mudapangako izi, Mulungu amakuwonani uni abodza, akuba, komanso achigololo mumtima. Baibulo limatichenjen - jeza kuti ngati tili ochimwa tidzathera ku gahena. Mulungu amene Baibulo limati ndi wodzadza ndi zifundo adatumiza Mwana wake kudzazunzika ndi kufa pa mtanda chifukwa chaochimwa. Tidaswa malamulo ake, koma Yesu adalipira dipo la mulandu wathu. Kotero akhoza kuthetsa mulandu wathu. Akhoza kuthetsa chilango chathu cha imfa. “Pakuti Mulungu adakonda dziko lapansi kotero adapatsa Mwana wake wobadwa yekha, kuti yense omukhulupilira Iye asatayike koma akhale nawo moyo wosatha”. Kenanko adauka kwa akufa ndikugonjetsa imfa. Chonde lapani. (Chokani ku machimo) lero ndipo Mulungu akupatsani moyo wosatha kwa onse okhulupilira Yesu. Tsopano yambani kuwerenga bibulo ndi kuchita zomwe bukuli linena.
